

MID SEASON UPDATE

Can you believe December is just around the corner? Our skaters have been back on the ice for the last two months, diligently working on new programs and refreshing their routines. They've unlocked new skills, faced and conquered challenges, all while having a great time along the way.

REACH FOR THE STARS!

We're thrilled to introduce a fantastic skater incentive for all our Star 1 skaters and above! Every time you achieve something remarkable—be it assisting a friend, mastering a challenging jump, or showing significant improvement—you'll earn a shiny star!

These brilliant stars will illuminate the Coaches Room window in the Kin 2 Arena, showcasing your incredible accomplishments! And here's the cherry on top: once we reach an impressive total of 100 stars, we'll host a super fun pizza and games party exclusively for our amazing Star 1 skaters and beyond!

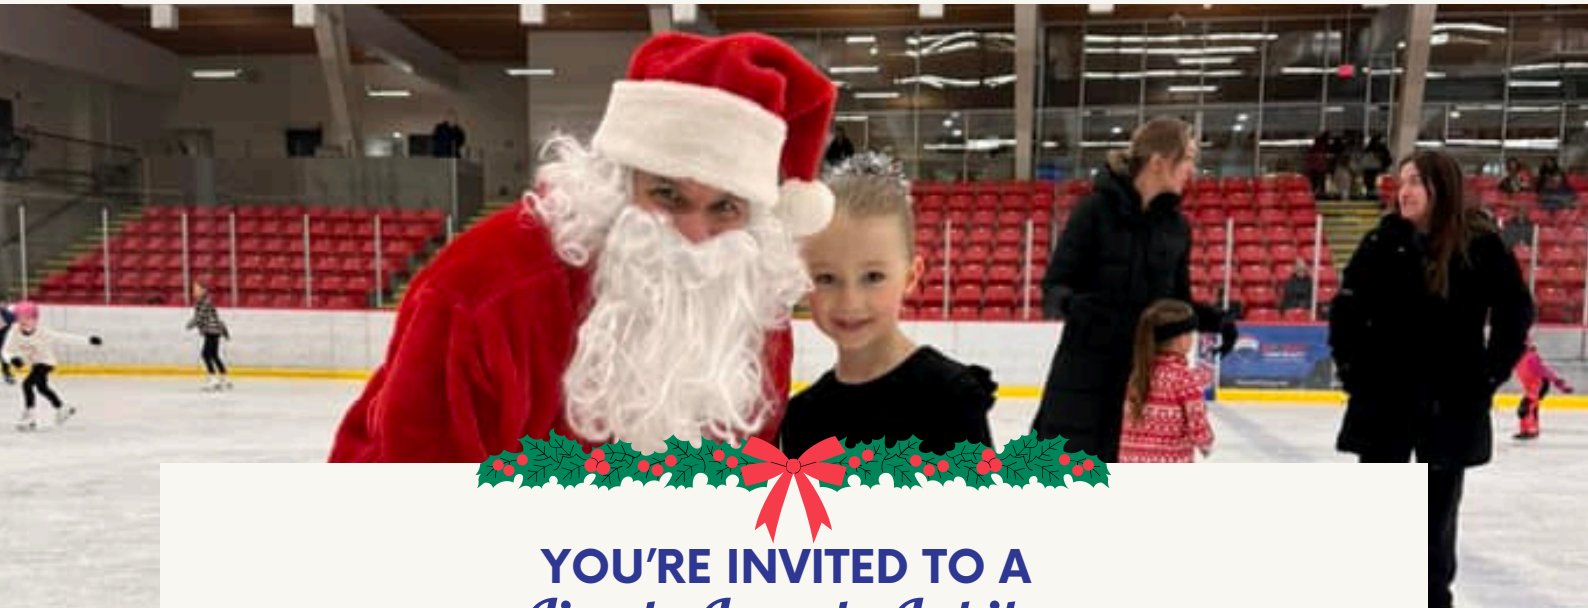

NEW JUMP ALERT!

Prepare to elevate the excitement on the ice with our New Jump Alert!

When a skater consistently lands a new jump, it's time to celebrate in style! The fortunate skater will receive a vibrant party blower, and when they blow it, it's like casting a magical spell that freezes the entire rink!

Imagine this: skaters and coaches gathering around, eyes sparkling with anticipation, ready to witness the stunning new move in action. Cheers and applause echo through the air as we unite to congratulate the skater with high-fives and excitement. That party blower isn't merely a noisemaker; it becomes a treasured memento of a remarkable moment. Each new jump is a reason to celebrate! Let's make some noise!

YOU'RE INVITED TO A *Jingle Jangle Jubilee*

WE PUT THE "FUN" IN FUNDRAISING

Fundraising plays a crucial role in keeping our programming accessible to everyone. We appreciate your efforts in fulfilling your fundraising obligations.

Additionally, this season we launched a new Club Sponsorship Program, which has already proven to be a great success. Sponsors can select from three different tiers to determine their contribution to the club. We are incredibly grateful for the support from our wonderful sponsors. ***If you or your business would like to join our sponsorship program, please don't hesitate to contact us!***

DON'T FORGET TO RETURN YOUR CASH CALENDAR SLIPS TO THE OFFICE BY JANUARY 27TH.

UPCOMING VOLUNTEER OPPORTUNITIES

Our club relies heavily on the support and commitment of our wonderful members and volunteers. FAREWELL COACH ALLYSE

As we welcome the New Year, we will be bidding a heartfelt “goodbye for now” to one of our beloved coaches, Allyse. Allyse has been a part of PGFSC since 2013, when she began her coaching training journey. Her reliability and loyalty are unmatched, and there’s no bigger supporter of the kids, our club, or skating as a whole. Coach Allyse is always the first to step in during coaching shortages and is frequently seen at the rink, enjoying skating sessions even on her days off. She will be profoundly missed by our entire club and all of its skaters, and we wish her the very best on her future endeavors!

WELCOME COACH ANGELINE

We are thrilled to welcome Teysean Angeline Henry to the PGFSC family. Angeline is currently working on her coaching certification and has recently achieved her impressive title of Quad Gold skater. Her enthusiasm and dedication to both coaching and skating will undoubtedly be a great asset to our club. We look forward to seeing Angeline on the ice, where she will be balancing her role as a coach and a skater. Her passion for the sport will surely inspire everyone around her. Welcome aboard Angeline!

COMMUNITY SPORTS HERO AWARD RECIPIENT

Our club president, Julia, was one of the well-deserving recipients of the Engage Sport North BC Community Sport Hero Awards. This prestigious award honors volunteers who exemplify the spirit of volunteerism through their years of dedication and commitment to the sport, significantly enhancing our local community. This award is a testament to the passion and unwavering dedication she brings to our club. We are incredibly thankful to have her at the helm, guiding us with her exceptional leadership and kindness.
